

UBAR GROTTTO PAST MONARCH'S JEWEL ORDER FORM

Since its inception, Ubar Grotto has worked to recreate the Grotto of yesterday combined with the flair of today. Earlier this year, another part of that mission was envisioned when Pro. Seth Anthony happened upon an old Past Monarch's jewel with the thoughts of having it recreated for use by Grottoes today. Purchased at auction, and rendered in 10k gold, the piece was marvelous to behold and begged to be given a second chance at life.

The jewel belonged to Pro. Ben Peterson of the former Cyrus Grotto in Hutchinson, Kansas. Pro. Ben was a farmer by trade and an active member of Cyrus Grotto's Patrol Unit from the very early days of the Grotto.

After receiving the jewel, Pro. Anthony contacted the fine folks at Wilkins Brothers, a well known jeweler that supplies regalia to several Masonic bodies. After more than 3 months of work, the new model was created. The final model remains very close to the original jewel, only containing some minor cosmetic changes.

This is a marvelous part of Grotto history, now made available for a new generation. Ubar Grotto is striking 40 more of these jewels and making them available to any Grotto that would like them. Purchasing is on a first come, first serve basis. Each jewel comes in a presentation case and a pocket holder. Shipping is included in the cost.

The original jewel is pictured on the left, with the recreated version at right.
